

MPN: KON503Y

Strain Relief Boot for RJ45 Yellow, 50pcs

The KON503Y Strain Relief Boot for RJ45 provides essential cable protection and organization. This pack of 50 yellow boots is designed to extend the lifespan of your RJ45 network cables by preventing bending and stress at the connection point. Made with premium materials, these boots ensure a secure and reliable connection, reducing the risk of signal loss and network downtime. Ideal for professional installers and home users alike, these strain relief boots offer a simple and effective solution for cable management. With MicroConnect's 20+ years of expertise, you can trust in the quality and durability of these RJ45 boots to keep your network running smoothly. The vibrant yellow color also aids in easy cable identification and organization.
