

NGS BLUETOOTH SPEAKER ROLLER TIN

20W BLUETOOTH SPEAKER -TF CARD USB - FM RADIO - LINE IN

NGS Roller Tin is the new portable Bluetooth speaker shaped like a drum allowing you to refuel and start the party anywhere thanks to its sound, LED lights and multiple functionalities.

The 20W wireless speaker outstands for its light and compact design that brings your party to life creating festival vibes both indoor and outdoor: Ideal for all your outdoor excursions: camping, travelling, party, etc.

Designed to take it with you wherever you go, the device features a comfortable carrying handle for easy transport. Furthermore, it includes multi-coloured flashing lights to light up the party that sync to the beat and may be disabled.

It features several playback options to play your music the way that you prefer:

Bluetooth Connectivity: Connect your device via Bluetooth and play your music with the best sound quality.

Audio USB Port: Plug in a USB stick and play all your digital files.

Micro SD Card Slot: Thanks to its built-in MP3 player you will be able to listen to your favourite music from your Micro SD card.

Radio FM: You can tune your favourite radio stations.

Audio Aux Input: Connect any external audio source through a 3.5 mm jack cable.

It is equipped with simple controls on the top and front, easy to reach and operate (volume control, play/pause, FWD and REW, lights, mode).

NGS Roller Tin includes a wired microphone input that can be used for various purposes: lecturing, singing karaoke, etc.)

The speaker features a rechargeable 1800 mAh Li-Ion battery that can keep the music playing up to 3 hours.

Furthermore, it is equipped with a Micro-USB charging cable for conveniently charging.
