# HP Jetdirect 3100w BLE/NFC/Wireless Accessory

## Mobile printing accessory for enabling secure, reliable mobile printing and Roam.

Enhance the mobile productivity of your business by enabling secure, reliable mobile printing and Roam on compatible HP LaserJet and PageWide Enterprise MFPs and printers. [2,3]

### Seamless mobile printing

- Make network , cloud, and peer-to-peer Wi-Fi Direct® printing easy for everyone on select HP LaserJet Enterprise MFPs and printers. [2]
- Manage peer-to-peer printing at the device level, using the control panel or the HP Embedded Web Server. Or apply changes fleet-wide, using HP Web Jetadmin remote management software. [5]
- Save employees time and effort by making it easy to send print jobs from smartphones, tablets, or laptop PCs that use 802.11b/g/n Wi-Fi from anywhere in the office. Add the option to print from NFC-enabled mobile devices—no network needed. [4]

### Enhanced wireless performance and security

- Dual band Wi-Fi (802.11n on 2.4 GHz and 5 GHz) helps ensure the wireless connectivity of your printer and mobile devices perform better and more reliably in commercial environments.
- Device access control and wireless security protocols helps ensure information is safe from the start to finish while printing

### Multiple options, print wherever business happens

- Allow employees to print directly, peer to peer, from an array of mobile devices without accessing the corporate network. [3]
- Roam - enable mobile workers to print effortlessly from any device, virtually anywhere [1], to any HP printer, securely through the cloud.
- Easily print documents, emails, PDFs, and more from an iPhone® and iPad®, as well as smart devices and laptops running iOS, Android™, Windows® 8 and 10, and Google Chrome™ operating systems—generally no setup or apps required. [3]

# Technical specifications

## Connectivity

| | |
|---|---|
| Standard connectivity | 802.11 b/g/n with Dual Band wireless Ethernet (2.4 GHz and 5 GHz); Wi-Fi Direct; BLE; NFC (near-field communication) |
| Wireless capability | Yes |
| Memory | **Standard:** None (uses memory in printer) |

| | |
|---|---|
| What's in the box | **3JN69A** HP Jetdirect 3100w BLE/NFC/Wireless Accessory, 2 mini USB cables, stand-alone plastic cover, Velcro kit, installation guide, warranty cards |
| Product dimensions | **W x d xh:** 3.2 x 2.2 x 0.8 in |
| Product weight | 0.13 lb |
| Warranty features | One-year replacement warranty |
| Energy star certified | No |
| Compatible operating systems[3] | Uses printer/MFP firmware. See the printer/MFP datasheet for compatible network operating systems. |
| Compatible network operating systems | See the printer data sheet for Compatible Operating Systems. |
| Power[2] | **Power supply type:** None (Host USB-powered); **Power requirements:** Host USB-powered accessory, input voltage: 5V, 500mA; **Power consumption:** 2.9 watts maximum |
| Operating environment | **Operating temperature range:** 0 to 40º C; **Recommended operating temperature:** 0 to 40º C; **Storage temperature range:** -40 to 70º C; **Non-operating humidity range:** 15 to 95% RH; **Operating humidity range:** 15 to 95% RH; **Recommended humidity operating range:** 15 to 95% RH |

## Learn more at hp.com

[1] Installs into accessory pocket on printer; only protrudes 0.47 in (12 mm) above printer surface when installed. Total height is 0.94 in (24 mm) for optional stand-alone configuration. [2] Values subject to change. Power numbers are the highest values measured using all standard voltages. See http://hp.com/support for current information [3] Not all protocol and operating system combinations are supported. For more information, refer to the support page at http://www.hp.com/support/jd3100w. Select the HP Jetdirect 3100w and then select HP Support and Drivers.
