## Strain Relief Boot for RJ45 Grey, 50pcs

The KON503G Strain Relief Boot for RJ45 is an essential accessory for ensuring the longevity and reliable performance of your network cables. This pack includes 50 grey strain relief boots designed to protect the delicate connection point between the RJ45 connector and the cable itself. By preventing bending and stress on the cable, these boots minimize the risk of damage and signal degradation. MicroConnect's commitment to premium quality ensures that these boots are durable and easy to install, providing long-term protection for your network infrastructure. A simple yet effective solution, these boots reflect MicroConnect's 20+ years of experience in providing reliable connectivity solutions for businesses and individuals alike.
