

MPN: KON503R

Strain Relief Boot for RJ45 Red, 50pcs

The KON503R Strain Relief Boot for RJ45 connectors provides essential protection and cable management for your network connections. Sold in a pack of 50, these red boots are designed to fit standard RJ45 connectors, preventing cable damage and ensuring a secure, reliable connection. By reducing stress on the cable, these strain relief boots significantly extend the lifespan of your patch cords. MicroConnect's focus on quality ensures these boots are made to European standards, offering a durable and professional finish to your network installations. Investing in these boots demonstrates a commitment to network longevity and performance.
