# HP Roam for Business

## The world is your office

Mobile professionals can now print at virtually any time, from virtually any location and device.[1]
HP Roam for Business is a universal business printing experience that reshapes how innovative
businesses print. You can replace traditional, printer-specific drivers with an intuitive print
experience that is simple to use, is scalable, and provides a similar experience across desktop
and mobile devices. Customer and company data are protected by advanced security features.

## Print at public locations

HP Roam uses GPS to show nearby
available printing spots, such as hotels,
airports, and libraries.[1]
