

Canvas React

kingston.com/flash

Incredible speeds for amazing visuals.

Kingston's Canvas React™ microSD card is designed to be as fast as you are, capturing 4K video or taking stunning burst-mode photos when the action doesn't stop. Whether you're using the latest DSLR, mirrorless camera or flagship Android™¹ phone, you can be confident that your memories will be safe. It's available in multiple capacities up to 512GB², to provide plenty of space to capture an entire shoot. Kingston Canvas React cards are tested to be durable, so you can take them anywhere with confidence that your photos, videos and other data will be protected, even in harsh or unstable conditions.³
