DualCut technology

This all-in-one hair trimmer features Advanced DualCut Technology for maximum precision. It comes with double blades and is designed to stay as sharp as day 1.

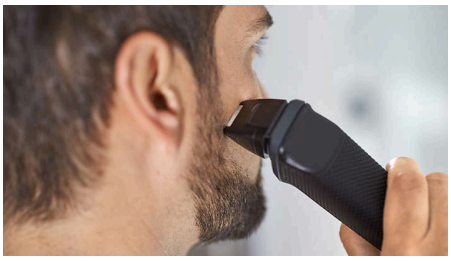
11 tools for face, hair and body

The Philips Multigroom all-in-one hair trimmer comes with 11 attachments to provide a full-body grooming solution.

Full-metal trimmer

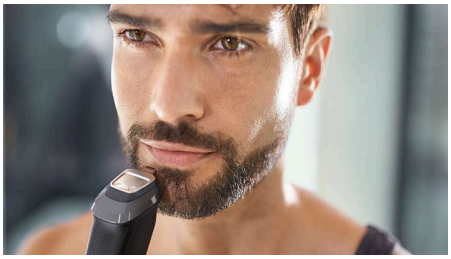
Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Precision shaver



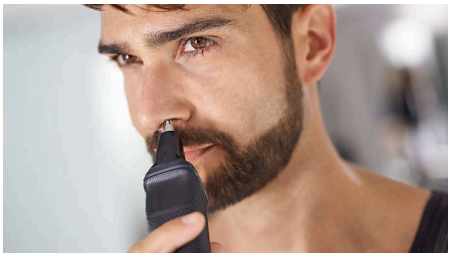
Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

Full-metal detailer



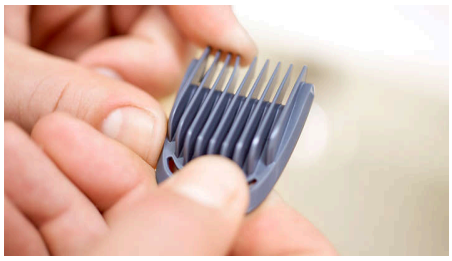
The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer



Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

7 Impact-resistant combs



Quickly touch up your face and hair with the seven reinforced cutting guards. 2 stubble combs for 1 mm and 2 mm trimming, an adjustable beard comb, 3 hair combs at 9 mm, 12 mm and 16 mm, and 1 body comb.

Up to 80 minutes run time

This Philips trimmer gives you up to 80 minutes of cordless use from a single 16 hour charge.

Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.
