EMPOWER YOUR BUSINESS
WITH A POWERFUL PERFORMER

ThinkCentre® M920 Tower and SFF

ThinkCentre M920 Tower and SFF

GIVE YOUR BUSINESS THAT EXTRA BOOST

Tailored to suit your business needs, the ThinkCentre M920 Tower and SFF are your best bet. Experience superior handling of large files and applications with the new Intel® 8th Generation Core™ i with vPro™ Processors and DDR4 memory. These desktops come with an array of high-speed USB ports that help enhance your productivity by adapting to your connectivity needs. Leave all your security worries behind; the dTPM 2.0 data encryption chip secures valuable data, and the Chassis E-Lock protects the key components in your desktop from theft.

- **Productivity:** the DDR4 memory and PCIe SSD storage enable effortless multitasking, especially when you're dealing with multiple apps. For improved accessibility, the high-speed USB ports that include a USB-C port, enable quick data sharing. NVIDIA®'s high-quality graphics card in the Tower desktop is a perfect tool for you to exercise your creativity for superior content creation.

- **Manageability:** with the Smart Power On feature, switch the desktop on remotely using a simple keyboard shortcut. The sturdy and convenient handle on the Tower desktop enables easy relocation.

- **Security:** the dTPM 2.0 chip encrypts all valuable information on the Tower and SFF. Restrict access to the key components of the desktop by securing it with a Padlock. Additionally, the optional Chassis E-Lock, powered by the motherboard, protects the key components of the desktop from the inside.

ACCESSORIES

Lenovo Essential Wireless Keyboard and Mouse Combo ▸

Get responsive, quiet keys and a premium typing experience with this wireless full-size keyboard and mouse combination. A slim 2.5 zone keyboard with number pad and one-touch dedicated media keys put the controls you use most at your fingertips, and the ergonomic mouse supports all-day use.

◂ Lenovo Stereo Headset

Comfortable fitting, universal VoIP optimized headphones that come with double-sided ear pieces help you focus on the call by blocking unwanted sound. Adjustable headset and 180° microphone provide excellent sound clarity, be it on VoIP or regular phone calls.

Kensington® MicroSaver™ 2.0 Twin Cable Lock ▸

The Kensington® MicroSaver™ 2.0 Twin Cable Lock secures two devices with the same cable lock. Engineered to be the smallest, strongest lock for desktop, laptop, monitor and other devices, the MicroSaver DS 2.0 represents the next generation of device security.
