HC5440/93

HAIRCLIPPER Series 5000 - Cuts twice as fast*

With bonus comfortable nose, ear and eyebrow trimmer

The HAIRCLIPPER series 5000 is built to last, and engineered to perform. The innovative cutting element and adjustable hair comb are designed to give you a fast, sharp cut, every time. Also includes comfortable nose, ear and eyebrow trimmer.

Benefits

Fast and comfortable trim

- Double-sharpened cutting element with reduced friction
- Self-sharpening steel blades for long-lasting sharpness
- Advanced guard system prevents pulling, nicks and cuts
- Easily reach hair inside the ear or nose

Precise length control

- Easy to select and lock in 24 length settings: 0.5 to 23mm

Easy to use

- 75 minutes of cordless use after an 8-hour charge
- 'Quick release' blades for easy cleaning
- Fully washable
- AA battery included

Built to last

- 2-year guarantee plus 3 years when you register the product online

PHILIPS

Hairclipper series 5000

Features

DualCut Technology

Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to cut hair twice as fast as standard Philips clippers, with the added confidence of a robust steel guard for ultimate durability.*

Stainless steel blades

Self-sharpening stainless steel blades for long-lasting sharpness.

24 lock-in length settings

Turn the zoom wheel to simply select and lock in the length you want, with 23 length settings from 1 to 23 mm, and precisely 1 mm between each length. Or you can use it without the comb for a close 0.5-mm trim.

Corded and powerful cordless use

Use the clipper corded or cordless for maximum power and freedom, with 75 minutes of cordless power after 8 hours of charging.

Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. In addition, by registering the clipper on www.philips.com/5years you can receive an additional 3 years on top of your standard 2 year Philips guarantee, giving you a 5 year worldwide warranty for the HC5440. The NT1150 comes with a standard 2 year worldwide guarantee.

ProtecTube technology

With the revolutionary ProtecTube technology, the cutter is protected by an ultra-thin foil guard with rounded tips to prevent skin irritation. In addition, the cutter is designed to prevent hair from getting caught between two separately moving cutting blades, for no pulling, guaranteed.

Ideal angle

The Philips nose trimmer has been engineered so that it is perfectly angled to easily reach hair inside the ear and nose. With the Philips nose trimmer, you can be sure that all unwanted hairs will be removed efficiently.

Water resistant

The trimmer is easy to clean under the tap and can be used in the shower.

AA battery included

AA battery-operated, your trimmer is ready to use straight away.
