Versatile cooking

Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favorite dishes for a one stop solution for all of your meals.

Unique product design

Philips Airfryer's unique design which combines fast circulating superheated air, starfish design and optimal heating profile allows you to fry a variety of delicious meals in a fast, easy and healthier way without necessarily adding oil.

Splatter proof lid

The splatter proof lid can also be used to cook more delicious dishes like popcorn, dehydrate fruits and vegetables, roast coffee beans etc. - ingredients which otherwise, without the lid would fly out of the basket due to the high speed airflow of the Philips Airfryer with Rapid Air Technology.

Quick Clean design

Quick Clean removable bottom: the unique Quick Clean bottom of the Variety cooking basket for Philips Airfryer has a non-stick coating which enables cleaning within seconds as it prevents many types of food from sticking. In addition, the bottom is easily detached so that you can quickly clean even the edges and corners with precision. The bottom can be cleaned under the tap or safely in the dishwasher. The innovative Variety basket for Philips Airfryer has a unique design. It's inspired by nature and has been proven in tests to give the highest clean.
