

PHILIPS

Replacement Kit

1x Exhaust filter

1x Washable inlet filter

FC6042/01

Filter replacement kit PowerPro Expert*

Original filter replacements from Philips

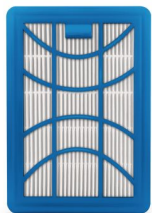

Allergy H13 filter replacement kit compatible with Philips PowerPro Expert* range. The kit contains the exhaust and inlet filters which need to be replaced once a year.

Philips Original accessories

- Exhaust filter
- Washable inlet filter

Highlights

Exhaust filter

The kit contains 1 x exhaust filter. The filter catches the fine dust before the air is expelled back into the room. This results in a clean, dust-free air in your home. The filter should be replaced once a year.

Washable inlet filter

This kit contains 1x Washable inlet filter. The filter protects the motor of the appliance from any dirt or debris that can potentially damage the motor. The filter should be replaced once a year.

Specifications
