Offers a customized brushing experience

- Three different modes for a better cleaning experience
- Easy-start program to acclimate to the Sonicare experience

Guides you to follow dental recommendations

- Quadpacer interval timer encourages thorough brushing
- Two-minute timer helps ensure recommended brushing time

PHILIPS

Features

Three different cleaning modes

The three modes include a Clean mode for an outstanding clean in 2 minutes. A White mode for removing surface stains and a Massage mode to stimulate the gum.

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

Helps whiten teeth

This Philips Sonicare electric toothbrush helps to remove and reduce stains on your teeth for a brighter smile.

Removes up to 7x more plaque

Removes up to 7 times more plaque from hard to reach places than a manual toothbrush.

Sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

DiamondClean brush head

DiamondClean toothbrush heads, Philips Sonicare's best whitening brush head, have diamond shaped bristles to effectively yet gently remove surface stains and scrape away plaque. Removes stain build up from coffee, tea, red wine, cigarettes and tobacco in just 1 week.

Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

SmarTimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time
