Marketing

Extended retailer text	A powerbank has become the indispensable element for when you're on the road. Never run out of power with this Omni Plus Metal Powerbank with USB-C and Qualcomm® Quick Charge™ technology. The aluminium alloy body holds a battery of 20.000 mAh, so you'll have all the power you need packed into one metal
-------------------------------	---

powerbank.

Body of power

Take this powerbank with you everywhere. The stylish, durable aluminium alloy body makes it the perfect travel companion for all your chargeable devices such as your phone, Bluetooth speaker and Switch!

Fully loaded

The incredible power of this portable charger tops up phones for up to 80 extra hours and tablets for up to 30 extra hours depending on your device. The broad assortment of charging technologies in this powerbank make sure you can charge all your devices! The package includes a micro-USB and USB-C cable to charge your devices or to charge the powerbank to full power.

Maximum speed

The powerbank autodetects your smartphone or tablet and charges it at the highest possible speed. This powerbank has a total power output of 18W and thanks to the USB-C and Quick Charge™ technology, your devices will be fully charged within no-time.

Charge and recharge

When the powerbank is empty, you can quickly recharge it via USB-C or micro-USB at a maximum speed of 2.4A. The battery level indicator shows you how much fuel your powerbank has left. The Smart Protection System makes sure you can charge your devices not only fast but also safely.
