

InLine® HDMI Auto Switch Electronic 2 IN / 1 OUT 3D ready

* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 17671I

HDMI offers significant advantages compared to analogous A/V transference. The HDMI-switch allows the connection of 2 different digital sources with your TV, i.e. you can connect, e.g., your DVD player, set top box... etc. to your television. By the pressure of the switch-key you can choose between both input devices.

- 2 HDMI Input female plugs and 1 HDMI Output female plug
- 1 electronic switch-key to choose sources
- digital, not squeezed, high-speed
- supports the digital standard: 1080i and 1080p
