

Adjustable Laptop Stand

K60726WW

Product Description

The Kensington Adjustable Laptop Stand features our patented SmartFit® System to raise your laptop screen to the perfect height for you. The platform is designed to hold virtually any laptop or netbook and includes smart cable management to reduce cable clutter. Plus it's designed to accommodate Kensington SD120, SD300v, or SD400v docking stations for a total desktop docking solution.

Features

- Height adjustable to bring your laptop screen to eye level, reducing neck and eyestrain
- Helps organize your workspace
- Slim, metal design offers solid support while using minimal desk space
- Built-in cable management reduces clutter and keeps your connections close at hand
- Convenient, soft landing pad holds your keyboard or protects your smartphone while charging
- Works with Kensington SD120, SD300v, and SD400v docking stations for a total desktop docking solution
