SUPPLEMENTARY INFORMATION: This product has been tested and found to comply with the electromagnetic compatibility (EMC) limits for a **Class B** digital device pursuant to the listed directives, regulations and standards. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential or business environment. The equipment was tested in a typical configuration and determined compliant to the specified standards, limits, criteria and version of ecodesign implementing measures in effect at the time of placing the equipment on the market. Optional devices, such as radios, conform to the noted standard when the Dell Inc. provided devices are installed in the product.
