

Omen X by HP Mindframe Headset

Stay cool under pressure

Designed with comfort at the forefront, the OMEN Mindframe comes with active ear cup cooling technology.

FrostCap technology

The OMEN Mindframe features FrostCap, comes with ear cup cooling technology. Using a thermoelectric device inside each ear cup, FrostCap cools the speaker grille plates and transfers heat away from the ears—allowing you to stay comfortable during long gaming sessions and concentrate on the win.

Outshine the competition

Stand out with customizable RGB lighting and effects on the external ear cups, all controlled via OMEN Command Center.

Omen X by HP Mindframe Headset

Featuring

The perfect fit

Finding the perfect fit has never been easier than with this self-adjusting, suspension headband. Combined with the lightweight and flexible frame, you'll keep your head in the game for hours.

Real-time voice feedback

Adjustable mic monitoring lets you hear your voice in real time through the headset speakers, so you can avoid shouting at teammates while keeping an immersive, in-game volume.

Athletics-inspired fabric

Drawing inspiration from modern athletic gear, the ear cup cushions are made of breathable, moisture-wicking fabric—keeping them cool and dry during extended use.

Adjust on the fly

Easily adjust volume with the on-ear cup control so you can stay fully engaged in the game.¹

Command and cooperate. Clearly.

Be clearly in command with a noise-cancelling, unidirectional microphone that mutes when folded.

Powered by OMEN Command Center

Control FrostCap technology and customize RGB lighting with OMEN Command Center.
