

Philips PowerPro Expert
Bagless vacuum cleaner

2100W

Allergy filter
2L
Remote control

FC9735/61

Picks-up and locks 99% of fine dust.*

Thanks to exceptional suction and Allergy Lock

The Philips PowerPro Expert is engineered for superior cleaning with powerful suction power. PowerCyclone 8 technology and our TriActive+ nozzle deliver top results on any floor.

Effortless cleaning

- ErgoGrip handle for maneuverability and remote control
- Onboard accessories: Conveniently stored, always at hand
- Soft brush integrated into handle for easy access

Superior performance

- PowerCyclone 8 technology separates dust from air
- TriActive+ nozzle for 3-way cleaning action

Allergy friendly

- Allergy Lock traps dust inside
- Easily emptied with one hand to control dust
- Captures 99.9% of all fine dust

PHILIPS

Highlights

ErgoGrip remote control

ErgoGrip handle allows easy maneuverability in tight spaces. Built-in remote control buttons let you control power and adjust settings comfortably — without bending, squatting or interrupting your cleaning.

Onboard accessories

Onboard accessories: Conveniently stored, always at hand

Integrated soft brush

Soft brush integrated into handle for easy access

Powerful cyclonic action

Exclusive PowerCyclone 8 technology quickly accelerates air in the cyclonic chamber to separate out dust. The powerful swirling action maximizes airflow and performance for remarkable cleaning results.

3-way cleaning action

Our exclusive TriActive+ nozzle gently opens carpet pile for a deeper clean. Air channels at the front let large crumbs in and brushes at the sides clean closely along your furniture and walls.

Allergy Lock

Our Allergy Lock system uses a sensor to ensure the dust container is fully sealed and leak-proof before operating.

Simple and tidy to empty

The dust container detaches with one hand and controls dust with its unique shape and smooth surface.

IF DESIGN AWARD 2018

IF award-winning products and projects, concepts and more, selected by the top names in design.

Each year, iF International Forum Design GmbH organizes one of the world's most celebrated and valued design competitions: the iF DESIGN AWARD.

Recognized as a symbol of design excellence around the world, the iF DESIGN AWARD welcomes over 5,000 submissions from 70 countries every year.

Specifications

Performance

- Dust re-emission class: A
- Airflow (max): 41 l/s
- Input power (IEC): 1800 W
- Input power (max): 2100 W
- Sound power level: <79 dB
- Suction power (max): 470 W

Usability

- Action radius: 10 m
- Carrying handle: Top and front
- Cord length: 7 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber
- Tube coupling: ActiveLock
- Power control: Electronic on appliance

Design

- Color: Beluga metallic

Filtration

- Dust capacity: 2 L
- Exhaust filter: Allergy filter
- Motor filter: Lifetime washable filter

Nozzles and accessories

- Accessories included: Crevice tool, Small nozzle, Integrated brush
- Accessory storage: On board
- Extra accessories: ErgoGrip remote control
- Standard nozzle: TriActive+ nozzle

Sustainability

- Packaging: > 90% recycled materials
- Stand-by power consumption: < 0,5 W
- User manual: 100% recycled paper

Weight and dimensions

- Dimensions of product (LxWxH):
505x292x292 mm
- Weight of product: 5.5 kg

Issue date 2018-11-28

Version: 3.1.1

EAN: 08 71010 38658 96
