CyberPower

ST900U STANDBY UPS SYSTEM

Offers significant energy savings, battery backup and surge protection.

900VA

The CyberPower ST900U uninterruptible power supply (UPS) safeguards a home office PC and other electronics (modem, wireless router, gaming console, and cablebox/DVR) from surges, spikes, sags, brownouts and other power abnormalities. Two USB charging ports keep phones and tablets operating during a power outage, and PowerPanel® Personal management software makes it easy to control and monitor your UPS.

A Three-Year Warranty ensures that this UPS has passed our highest quality standards in design, assembly, material or workmanship and further protection is offered by a $125,000 Connected Equipment Guarantee.
