ThinkPad T480

Lenovo[™]

ThinkPad T480

DESIGNED FOR SERIOUS BUSINESS

Form and function collide with the robust ThinkPad® T480. Take your productivity beyond the expected with the latest power-packed processors, convenient side docking, and all-day Power Bridge battery. A white-backlit keyboard and standardized ports are subtle design enhancements that reap obvious performance rewards. And elevated built-in security features like Windows Hello with fingerprint reader and the new ThinkShutter mechanical camera shutter mean your work stays yours no matter where the job takes you.

FEATURED ACCESSORIES

Lenovo Professional Topload Case (4X40E77323)

This sleek and durable case offers modern design elements, including “checkpoint-friendly” features to help you breeze through airport security. The distinctive sling design cradles your laptop for superior protection. A hidden security pocket in the back panel and a padded soft-lined compartment keep valuables secure.

ThinkPad Essential Wireless Mouse (4X30M56887)

This sleek and stylish travel-size design offers exceptional quality in a modern wireless solution for the modern office. And when work is on the go, this compact ambidextrous mouse provides excellent portability and perfect ergonomics.

Lenovo In-Ear Headphones (4XD0J65079)

With great sound and fit, these headphones are the perfect on-the-go accessory. A lightweight, unique ear design fits like a classic earbud headphone. Inline microphone is small and light, perfectly placed to make crystal-clear calls.

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment—so you can focus on your business, not your IT.

Premier Support

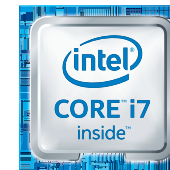

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

Accidental Damage Protection (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This fixed-cost, fixed-term protection plan minimizes unexpected repairs for predictable budgeting and provides significant savings relative to the cost of non-covered repairs.

Warranty Extensions

Get a fixed-term, fixed-price service solution to match the lifecycle of your device and fit within your budget. Purchasing an extension at the time of a system purchase saves 15-30% over the price of purchasing it post-warranty.
