

MPN: CABLEMANA-1

## Cable Management 19", 1U

The MicroConnect CABLEMANA-1 offers a professional cable management solution for your 19" rack setup. This 1U cable management panel ensures your cables are neatly organized, preventing tangles and improving airflow within your rack. Keep your server room or network closet tidy and efficient with this essential rack accessory. Easy to install and built to last, the CABLEMANA-1 reflects MicroConnect's commitment to quality and innovation in connectivity solutions, providing a reliable foundation for your critical infrastructure. With over 20 years of experience, MicroConnect delivers premium products for optimal performance.

- Create a visually pleasing and clean work environment
- Helps to maintain basic functionality
- Protects the devices from the clogged airflow due to unorganized and disordered wires
- Material: steel
