

HP Pavilion Gaming Headset 600

Surround sound. Superior audio.

Elevate your audio experience with a headset specially designed for gaming and entertainment. 7.1 surround sound delivers immersive and life-like acoustics— whether you're in the heat of battle or listening to your favorite song.

Surrounded by sound

7.1 virtual surround sound provides greater precision, depth, and clarity for your media—experience a clear, immersive soundscape all around you.¹

Effortlessly comfortable

The lightweight, self-adjusting headband provides a comfortable, effortless fit during extended use.

Cushioned comfort

Soft, synthetic leatherette padding on the ear cups and headband for long-lasting comfort.

HP Pavilion Gaming Headset 600

Featuring

On-ear controls

Controls placed right on the ear cup make volume and mute adjustments fast and easy.

Green LED Lighting

Ear cup logo glows with green LED lighting while the headset's in use.

Adjustable boom microphone

Easily position the adjustable mic in front of your mouth, or out of the way—it's up to you.

Messaging Footnotes

¹ Listening to personal stereo equipment at full volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume.
