Connect your music

Effortlessly share your phone or tablet's music with your family and friends via Bluetooth connection. No Bluetooth available? Connect the speaker via a 3.5mm aux cable or plug in via USB. The integrated MP3-player will pick up your music from a USB pen drive.

Fresh sounds

Whether you're watching your favourite sports team win, busy defeating your in-game enemy or relaxing with music, the peak power of 20W using DSP (Digital Signal Processing) technology ensures you'll have an optimally clear sound experience. Its space-saving design makes this soundbar perfect to wire up below a PC monitor or TV screen and the stylish timber design complements any room.

Listen all day

This soundbar has a rechargeable battery with up to 20 hours' playtime. On the side of the soundbar, you can find the music control buttons. Play the next or previous song and pause or mute the sound with one push of a button. The included 1-meter micro-USB charge cable and 3.5mm aux cable provide your limitless audio experience!
