### Product Description

Ideal for hot desking, hotelling, home office and educational environments requiring a single monitor solution, Kensington's SD2000P USB-C Single 4K Nano Dock with 60W Power Delivery is Thunderbolt 3-compatible and provides users with a simple connection to a desktop setup. The SD2000P allows users to choose between HDMI or DP++ video ports to accommodate different monitor setups, connect to their favourite USB accessories using two USB 3.1 Gen1 ports and use the USB-C 3.2 Gen1 connection to transfer up to 5Gbps of data while powering their device. Built on USB-C technology and Power Delivery 3.0, users can connect with confidence to a PC, MacBook, iPad Pro (2018 or newer), Chromebook or Samsung (Galaxy, Note and Tab) knowing the SD2000P will let them expand their workspace, use their favourite accessories and power their device at the same time.

### Features

- Best for: USB-C devices that support Power Delivery and a Single 4K Monitor
- Connection technology: USB-C alt mode
- USB-C power delivery: Supports USB-C PD 3.0 (60W of laptop charging)
