Marketing

Extended retailer text	The Orbo Compact Wireless Ergonomic Mouse will change the way you work. This medium sized vertical mouse is made to reduce arm and wrist strain and provide ultimate comfort during those long working days. Your hand will remain in a natural position while using this mouse.

Work naturally
Thanks to its ergonomic design and comfortable thumb rest, you can work or study effortlessly for hours at the office or at home. The vertical layout of this mouse brings your underarm and wrist into a natural position which relaxes the muscles in your hand, wrist and arm. The rubber coating of this mouse makes sure your grip remains |

firm while working for long periods of time.

Accurate control
Simply plug in the micro-USB receiver into a USB port and you have access to an 800/1400/1600 DPI optical sensor for accurate control. Switch DPI with the dedicated button or browse quickly through different web pages with the two thumb buttons.

Smart use
Keep your desk clean and experience the convenience of a wireless mouse. The storable receiver of this mouse allows it to work wirelessly within a range of 8 meters. It also features an on/off switch to save on energy by turning off the mouse when you are not using it.
