

Maxos fusion

LL500Z MB-SW WH

Maxos fusion Acc. - White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With the electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future lay-out changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

| General Information | |
|------------------------------|-----------------------------|
| CE mark | CE mark |
| Material | Stainless steel |
| Accessory color | White |
| Product family code | LL500Z [Maxos fusion Acc.] |
| Mechanical and Housing | |
| Diameter | 2 mm |
| Approval and Application | |
| Mech. impact protection code | IK00 [No protection] |

| Product Data | |
|---------------------------------|-----------------|
| Full product code | 871869637451199 |
| Order product name | LL500Z MB-SW WH |
| EAN/UPC - Product | 8718696374511 |
| Order code | 910925864221 |
| Numerator - Quantity Per Pack | 1 |
| Numerator - Packs per outer box | 40 |
| Material Nr. (12NC) | 910925864221 |
| Net Weight (Piece) | 0.038 kg |
