

charge stream™ desk stand

Universal wireless charging desk stand.
Made for Apple, Samsung, and other Qi-enabled smartphones.

FAST WIRELESS CHARGING

Delivers the right amount of power to your phone to ensure the fastest charging speeds. Also supports Apple and Samsung fast charge.

ADJUSTABLE STAND

Charges different-sized phones in landscape or portrait orientation.

CHARGE THROUGH LIGHTWEIGHT CASES

Sends a charge through lightweight cases up to 3mm thick.

QI-ENABLED CHARGE STREAM MOUNT

Works with virtually any Qi-enabled smartphone and mophie cases with wireless charging.

Key Selling Points

- Wirelessly charge any Qi-enabled smartphone at up to 10W, as well as mophie cases with wireless charging.
- The charge pad is optimized for Apple and Samsung Fast Charge.
- The charge pad can be removed from the desk stand and used independently.
- The steel frame features a weighted base that keeps the desk stand stable and upright while you're using it.
- Rubber pads hold your phone securely while it charges and protect it from scratches.
- The charge stream desk stand holds your phone at a convenient viewing angle while it charges.
- Built-in wire management magnet keeps USB cable neat and out of the way.

Universal wireless charging.
