Features

Cord

This Philips lamp can be used in combination with one of the Philips cords to complete your interior illumination and bring an industrial feel to your living space.

High quality material [Cable]

This beautiful fabric covered cable ensures that your lamp hangs straight when installed. The matt satin finish of the metal socket enhances the antique look of any bulb.

Adjustable cable length [Cable]

Cable is fully adjustable for various heights giving the flexibility to arrange a stylish dynamic combination of suspension lighting above your kitchen island and dining table.
