Control with the EufyHome app and Amazon Alexa for total hands-off vacuuming.

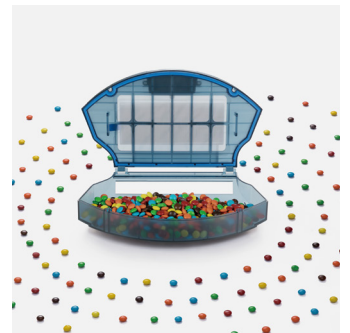

STRONG CLEANING POWER

Max. 1200 Pa vacuum power and 3 brushes clear hair, debris, and even small screws.

SET PERIMETERS

Use the boundary strips so RoboVac only cleans the areas you want.

LARGE DUSTBOX

Easy-to-clean dust box with larger triple-layered filter holds more dirt.

Reviews of the Highly Acclaimed RoboVac Series

engadget

The new Eufy RoboVac 11 robot vacuum cleaner navigates about as well as the Roomba 650 and is cheaper... Eufy is the best bet... -- New York Times

After running more than 70 cleaning cycles over 10 weeks with eight of the most promising robot vacuums, we think the Eufy RoboVac 11 is the right choice for most people who want an automated, affordable helper to keep their floors tidy. -- Engadget

If you've been considering picking up a robotic vacuum, but have been put out by the high cost, Eufy's RoboVac 11 is a great option. Its intelligence exceeded my expectations, and it takes care of tedious chore with a single button push. -- Business Insider

This RoboVac isn't just affordable, it also performs as well or better than models costing twice as much. -- Popular Science
