The Neomounts by Newstar FPMA-CF200SILVER is a ceiling-to-floor pole mount for flat screens between 37" and 70".

This product allows you to put your TV virtually anywhere you like without using walls. The only requirement to place this product is a firm floor and a solid ceiling. Built with an attractive aluminum finish, the mount provides a modern look. The cable management keeps everything organized.

This mount has a load capacity of max. 30 kg and the shelf has a load capacity of max. 5 kg. It is suited for screens with a VESA hole pattern between 200x200 and 600x400 mm. The pole has a height of min. 210 cm and max. 270 cm and can be installed without screws. Ideal for both commercial and home installations.

All installation material is included with the product.
