Lenovo V530s DESKTOP

Lenovo[™]

Lenovo V530s DESKTOP

A SMALL DEVICE THAT DELIVERS A BIG PERFORMANCE

Responsive, reliable, and compact, the V530s desktop is the perfect choice for everyday business in any office environment. Packed with the latest 8th Generation Intel® Core™ i Processors (supports up to i7), DDR4 memory, and high-speed PCIe SSD, this desktop is no slouch when it comes to multitasking or handling heavy files. With its impressive design, manageability, and energy efficient features, the V530s desktop maximizes your productivity in no time.

Easy Management: featuring four front-facing USB ports for easy access to connect peripherals.

Powerful Performance: accelerate and optimize memory performance with optional Intel® Optane™ memory without compromising on storage capacity.

Enhanced Security: prevent data leaks with BIOS-based Smart USB Protection which restricts port access while allowing keyboard and mouse connectivity.

Workspace Optimization: with only 7.4L chassis, this small form factor desktop can fit in anywhere in the office.

Green Leadership: certified with energy efficient platforms to reduce power consumption and increase cost savings for a productive business.

ITDM Benefits

- **Easier Management for Employees:** designed with IT in mind, the highly-responsive Lenovo V Series desktops are easy to set-up, deploy, run, and manage with Lenovo Vantage tools that optimize performance and protect business data.
- **Keep Business Secure:** a series of security solutions like BIOS-based Smart USB Protection and fTPM2.0 ensure confidential business data remains safe.

ACCESSORIES

Lenovo Fingerprint Biometric USB Mouse

Enjoy the full-size ergonomic ambidextrous design of this high-performance mouse that comes with a fingerprint biometric sensor. Fast, easy, and accurate, it offers a high precision of 1600 dpi resolution and is Windows Hello certified.

Lenovo Stereo Headset

Comfortable fitting, universal VoIP optimized headphones that come with double-sided ear pieces help you focus on the call by blocking unwanted sounds. The adjustable headset and 180° microphone provide excellent sound clarity be it on VoIP or regular phone calls.

ThinkVision T24i

Experience vivid images on the 24" borderless full-HD monitor with IPS panel. Equipped with built-in power and the rich connectivity of VGA and HDMI ports, T24i meets diverse connection demands. It features an LTPS full-function stand that pivots 90° clockwise and counterclockwise for ease of use.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment — so you can focus on your work, not your IT.

Premier Support ^{1,2}

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

Warranty Upgrades ¹

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place. In addition, with Tech Install CRU service the installation of all internal Customer Replaceable Unit (CRU) parts will be done on your behalf by a trained technician.

Warranty Extensions ¹

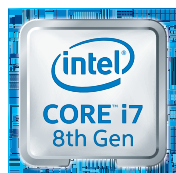

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

Keep Your Drive ¹

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

¹ Up to 5 years total duration

² May not be available in all regions
