

Free Up Your Workspace with a Stand Bracket

The 80-04000011G000 is a VESA-compliant bracket for easily mounting a client terminal such as a thin client or mini PC to the back of the monitor's stand. The space the client terminal previously occupied is now freed up so you can make better use of your desktop.

Even with the client terminal attached you can adjust the monitor's stand freely.

Get your PC off your desk with our custom made bracket, just install your VESA-Compatible device & you are all set.
