

OMEN by HP Hard Mouse Pad 200

Low friction. High speed.

Speed is of the essence if you want to beat your competitor. With its low-friction, durable, hard surface, the OMEN by HP Hard Mouse Pad lets you play at warp speed and allows for optimal sensor performance. Perfect for high DPI gamers using precise movements.

Less force. More winning

Ultra-low surface friction makes this mouse pad perfect for high DPI gamers. Your mouse moves with minimal force—and minimal mistakes.

Consistent texture. Optimal performance

This mouse pad's clean, consistent surface lets mouse sensors translate movement directly into cursor movement for optimal performance.

OMEN by HP Hard Mouse Pad 200

Featuring

No slip-ups

The rubber base provides stability, even when play gets fast and furious.

Triple-layer construction for heavy-duty play

Specially crafted for tenacious gameplay with a low-friction surface layer, high-impact firm foundation, and no-slip rubber base.

Tested. Then tested again and again

This mouse pad has been rigorously tested to withstand more than 250km of mouse movement and durability under extreme temperatures.¹
