Packing content
1x IB-HUB1417-i3, 1x USB 3.0 Type-A to USB 3.0 20-pin-cable
1x set of screws, 1x quick installation quide

Floppy out - multifunction in

Newly bought or used for a long time - but what is this bay on the case? The 3.5" (floppy) bay in the front of most PC-Cases used frequently in the past, but is now of little significance. The IB-HUB1417-i3 provides two USB Type-A and one Type-C™ connector, supplemented by the card reader to make good use of the 3.5" bay.

Technical data

Model	IB-HUB1417-i3	**Plug & Play**	Yes
Article no.	60433	**HotSwap**	Yes
EAN code	4250078168218	**Chipset**	GL3520 + ASM1543 + GL3224
Brand	ICY BOX	**Power supply**	SATA power connector
Colour	Black	**Total output**	5 V, 900 mA
Material	Metal, 1 mm thick	**Operating system**	Windows®
Space required	1x 3.5" bay	**System requirements**	At least one free SATA power connector and
Interface to host computer	USB 3.0 20-pin		internal USB 3.0 20-pin port must be available on the computer. The case of

and Type-A hub with card reader

Refreshment

With the IB-HUB1417-i3, devices become a small control center again. Existing devices such as printers, USB sticks with Type-A and Type-C™ ports, keyboards and SD/MicroSD can now be used again in an uncomplicated and frustration-free manner, without the need to search for a free connection or reorder connected devices.

Some things we won´t miss

Thanks to Multi-LUN support, each logical drive is a standalone device. This allows both SD cards to be accessed and data copied simultaneously. This makes the usual back and forth of SD cards a thing of the past.

Not only useful but handsome

Devices that we use every day should not only work, but also appeal to us visually. The IB-HUB1417-i3 with its simple black paint on the stable metal housing would particularly like to please us here - and is very successful.

Logistical data

Packing unit:	40 pcs./carton	**Dimension/carton:**	340x340x330 mm
Total weight:	11.6 kg/carton	**Dimension** (with packing)**:**	31x151x151 mm
Gross weight: (with packing)**:**	0.273 kg	**Dimension of article:**	137x101x25 mm
Net weight:	0.151 kg	**Country of origin:**	China
