## NetShelter WX Caster Kit

AR8359

EAN Code: 0731304195252

### Overview

|              |                                                                 |
|--------------|-----------------------------------------------------------------|
| Presentation | Caster kit for NetShelter WX for floor and mobile applications. |
|--------------|-----------------------------------------------------------------|

### Main

|                           |                                                    |
|---------------------------|----------------------------------------------------|
| Product or component type | Wheel                                              |
| Number of cables          | 1                                                  |
| Provided equipment        | Casters<br>Installation guide<br>Mounting hardware |

### Physical

|                     |                    |
|---------------------|--------------------|
| Colour              | Black              |
| Product weight      | 2.74 kg            |
| Mounting preference | No preference      |
| Mounting mode       | Not rack-mountable |

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 8.9 cm  |
| Package 1 Width              | 54.6 cm |
| Package 1 Length             | 57.8 cm |
| Package 1 Weight             | 5 kg    |

### Logistical informations

|                   |    |
|-------------------|----|
| Country of origin | US |
|-------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Environmental footprint

|                                                        |                                               |
|--------------------------------------------------------|-----------------------------------------------|
| Total lifecycle Carbon footprint                       | 18 kg CO2 eq.                                 |
| Carbon footprint of the manufacturing phase [A1 to A3] | 17 kg CO2 eq.                                 |
| Carbon footprint of the distribution phase [A4]        | 0.4 kg CO2 eq.                                |
| Carbon footprint of the installation phase [A5]        | 0 kg CO2 eq.                                  |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 0 kg CO2 eq.                                  |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 0.4 kg CO2 eq.                                |

## Use Better

### Materials and Substances

|                                        |                                                                             |
|----------------------------------------|-----------------------------------------------------------------------------|
| Packaging made with recycled cardboard | No                                                                          |
| Packaging without single use plastic   | No                                                                          |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                   |
| REACH Regulation                       | <a href="#">Free of Substances of Very High Concern above the threshold</a> |

## Use Longer

### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

## Use Again

### Repack and remanufacture

|                                 |                                                                                                                                                                                                                 |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in %   | 95                                                                                                                                                                                                              |
| End of life manual availability | No need of specific recycling operations                                                                                                                                                                        |
| Take-back                       | No                                                                                                                                                                                                              |
| WEEE Label                      |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
