

MPN: MMI9834/1G

## 1GB Memory Module NON-ECC, DDR 2700/333, 200PINS, SO-DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

### Specifications

|                           |                                       |                 |
|---------------------------|---------------------------------------|-----------------|
| <b>Features</b>           | <b>CAS latency</b>                    | 2.5             |
|                           | <b>Component for</b>                  | Notebook        |
|                           | <b>ECC</b>                            | No              |
|                           | <b>Internal memory</b>                | 1 GB            |
|                           | <b>Internal memory type</b>           | DDR 2700/333    |
|                           | <b>Memory clock speed</b>             | 333 MHz         |
|                           | <b>Memory form factor</b>             | 200PINS SO-DIMM |
|                           | <b>Memory layout (modules x size)</b> | 1 x 1 GB        |
|                           | <b>Memory voltage</b>                 | 2.5 V           |
|                           | <b>Module configuration</b>           | 64M x 8         |
|                           | <b>Product colour</b>                 | Green           |
|                           | <b>Other features</b>                 | <b>Capacity</b> |
| <b>Chips organisation</b> |                                       | 64M*8           |
| <b>Number of pins</b>     |                                       | 200             |
| <b>Vendor information</b> | <b>Brand Name</b>                     | CoreParts       |
|                           | <b>Warranty</b>                       | 10 Year(s)      |
