Sets the standard in smart productivity plus 8 months of ink delivered<sup>1,4</sup>

The productive smart printer that doesn't just print, it produces. Includes 8 months of ink delivered with HP Instant Ink.<sup>1</sup> Help save time with Smart Tasks.<sup>2</sup> Get automatic two-sided printing, easy mobile printing, and self-healing Wi-Fi.<sup>2,3</sup>

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked.
