

Print, Wireless⁷

HP Color Laser 150 Printer Series

Colour laser performance at an affordable price

Get productive print performance at an affordable price. Produce high-quality colour results and print and scan from your phone.^{2,7}

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. Learn more at hp.com/go/learnaboutsupplies

(HP Color Laser 150nw Printer)

(HP Color Laser 150a Printer)

Legendary quality, surprisingly affordable price

- This surprisingly small laser delivers exceptional quality, page after page.
- Produce sharp text, bold blacks and crisp graphics.
- Rely on a high-performance laser printer at an affordable price.

Designed to fit your space

- Work efficiently with a small, compact printer – HP's smallest in-class.¹
- Get print speeds up to 18/4 ppm (A4).³

Easy mobile printing and scanning with HP Smart app⁷

- Get simple setup, and print and scan from your phone, with the HP Smart app.^{2,7}
- Easily print from a variety of smartphones and tablets.^{4,7}
- Easily share resources – access and print with wireless networking.^{5,7}
- Connect your smartphone or tablet directly to your printer – and easily print without accessing a network.^{6,7}

¹ Smallest in-class footprint compared only to dimensions of majority of worldwide competing personal colour laser printers (defined as non-discontinued colour laser printers <\$200 USD and colour laser MFPs <\$300 USD); HP internal research of printer manufacturers' published specifications as of Sept 4, 2018 and Keypoint Intelligence-Buyers Lab 2018 study commissioned by HP. Market share as reported by IDC CYQ2 2018 Hardcopy Peripherals Tracker. Footprint for HP Color Laser 150 printer series is 183 square inches, for HP Color Laser 170 MFP series is 228.8 square inches. For details, see keypointintelligence.com/HPColorLaser. ² Requires the HP Smart app download. For details on local printing requirements see hp.com/go/mobileprinting. ³ Excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁴ For details on local printing requirements see hp.com/go/mobileprinting. ⁵ Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting. Wi-Fi is a registered trademark of Wi-Fi Alliance®. ⁶ Mobile device needs to be connected to Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Details at hp.com/go/mobileprinting. Wi-Fi Direct® is a registered trademark of Wi-Fi Alliance®. ⁷ Applicable to HP Color Laser 150nw Printer model only.

| Print speed | 18 (black) / 4 (colour) ppm | 18 (black) / 4 (colour) ppm |

¹ Requires the HP Smart app download. For details on local printing requirements, see hp.com/go/mobileprinting. ² Excludes first set of ISO test pages. For details, see hp.com/go/printerclaims. ³ Wireless performance is dependent upon physical environment and distance from access point and may be limited during active VPN connections. ⁴ May require a firmware upgrade to be compatible, download at hp.com/go/support

⁵ Not available in HP Color Laser 150a Printer.

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

Optimized Care (optimum performance and stability): 4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Standard Care (high level of uptime): Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Basic Care (minimum recommended support): Next Business Day Onsite Support

4 hour Onsite Support: Onsite support within four hours after a service call received within the coverage window

Next Business Day Onsite Support: Onsite service the next business day after the service call is received

Maintenance Kit Replacement Service: Onsite replacement of your printer's maintenance kit including parts, materials, and labor

Installation with Network Configuration Service: Assembly, network configuration, and basic administrator familiarization. For more information about HP Care Pack, HP Contractual, or HP Managed Print Services, visit hp.com/go/printservices

¹ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ² Measured using ISO/IEC 17629. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ³ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPS to satisfy the demands of connected individuals or groups. ⁴ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ⁵ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption values typically based on measurement of 115V device. ⁶ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Energy Star value typically based on measurement of 115V device and 230V for Blue Angel. ⁷ Dimensions vary as per configuration. ⁸ Weight varies as per configuration. ⁹ Introductory cartridges included; yields 700 black pages. Replacement cartridge average declared yield 1,000 black, 700 colour based on ISO/IEC 19752. Actual yield varies considerably based on content of printed pages and other factors. For details see hp.com/go/learnaboutsupplies.
