

LuxSpace Mini, recessed

DN560B LED12S/830 PSE-E F WH

LuxSpace2 Mini Low height recessed - LED Module, system flux 1200 lm - 830 warm white - Power supply unit external, DC compatible for central emergency lighting - Facetted reflector - White

Customers are looking to optimize all their resources, and that means not just their running costs (energy, etc.) but also their human resources. Energy savings are therefore a priority, but they must not have an adverse effect on the well-being of employees, who need a pleasant environment in order to be more productive, or on customers, who want to enjoy their shopping experience. LuxSpace provides the perfect combination of efficiency, light comfort and design, without compromising on lighting performance (color rendering and color uniformity). It offers a wide choice of options for creating the desired ambience, no matter the application.

Product data

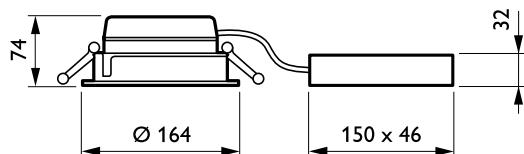

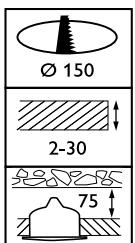

General Information	
Number of light sources	1 pc
Lamp family code	LED12S [LED Module, system flux 1200 lm]
Light source color	830 warm white
Cap-Base	- [-]
Light source replaceable	No
Number of gear units	1 unit
Gear	-
Driver/power unit/transformer	Power supply unit external, DC compatible for central emergency lighting
Driver included	
Driver included	Yes
Optic type	
Optic type	Facetted reflector
Optical cover/lens type	
Optical cover/lens type	-
Luminaire light beam spread	
Luminaire light beam spread	80°
Emergency lighting	
Emergency lighting	-
Connection	
Connection	Push-in connector and pull relief
Cable	
Cable	-
Protection class IEC	
Protection class IEC	Safety class II
Glow-wire test	
Glow-wire test	Temperature 850 °C, duration 5 s
Flammability mark	
Flammability mark	For mounting on normally flammable surfaces

LuxSpace Mini, recessed

CE mark	CE mark	Overall diameter	164 mm																																																														
ENEC mark	ENEC mark	Ingress protection code	IP20 [Finger-protected]																																																														
UL mark	-	Mech. impact protection code	IK02 [0.2 J standard]																																																														
Warranty period	5 years	Approval and Application																																																															
Decorative accessories	-																																																																
Remarks	<p>*-Per Lighting Europe guidance paper</p> <p>"Evaluating performance of LED based luminaires - January 2018": statistically there is no relevant difference in lumen maintenance between B50 and for example B10. Therefore the median useful life (B50) value also represents the B10 value.</p>	Initial Performance (IEC Compliant)																																																															
Constant light output	No	Initial luminous flux (system flux)	1200 lm																																																														
Number of products on MCB of 16 A type	32	Luminous flux tolerance	+/-10%																																																														
B	-	Initial LED luminaire efficacy	103 lm/W																																																														
RoHS mark	-	Init. Corr. Color Temperature	3000 K																																																														
Product family code	DN560B [LuxSpace2 Mini Low height recessed]	Init. Color Rendering Index	>80																																																														
Light Technical																																																																	
Optical cover/lens type accessory	-	Initial chromaticity	(0.43, 0.40) SDCM <3																																																														
Operating and Electrical																																																																	
Input Voltage	220 to 240 V	Initial input power	11.6 W																																																														
Input Frequency	50 to 60 Hz	Power consumption tolerance	+/-10%																																																														
Inrush current	18 A	Over Time Performance (IEC Compliant)																																																															
Inrush time	0.24 ms	Power Factor (Min)	0.9	Control gear failure rate at median useful life 50000 h	5 %	Controls and Dimming		Lumen maintenance at median useful life* 50000 h	L90	Dimmable	No	Application Conditions		Mechanical and Housing				Housing configuration	-	Ambient temperature range	+10 to +25 °C	Housing Material	Aluminum die-cast	Performance ambient temperature Tq	25 °C	Reflector material	Polycarbonate aluminum coated	Suitable for random switching	Yes (relates to presence/ movement detection and daylight harvesting)	Optic material	Polycarbonate	Product Data		Optical cover/lens material	Polycarbonate	Full product code	87182919362990	Fixation material	Steel	Order product name	DN560B LED12S/830 PSE-E F WH	Optical cover/lens finish	Frosted	EAN/UPC - Product	8718291936299	Overall height	72 mm	Order code	910503586408			Numerator - Quantity Per Pack	1			Numerator - Packs per outer box	1			Material Nr. (12NC)	910503586408			Net Weight (Piece)	0.760 kg
Power Factor (Min)	0.9	Control gear failure rate at median useful life 50000 h	5 %																																																														
Controls and Dimming		Lumen maintenance at median useful life* 50000 h	L90																																																														
Dimmable	No	Application Conditions																																																															
Mechanical and Housing																																																																	
Housing configuration	-	Ambient temperature range	+10 to +25 °C																																																														
Housing Material	Aluminum die-cast	Performance ambient temperature Tq	25 °C																																																														
Reflector material	Polycarbonate aluminum coated	Suitable for random switching	Yes (relates to presence/ movement detection and daylight harvesting)																																																														
Optic material	Polycarbonate	Product Data																																																															
Optical cover/lens material	Polycarbonate	Full product code	87182919362990																																																														
Fixation material	Steel	Order product name	DN560B LED12S/830 PSE-E F WH																																																														
Optical cover/lens finish	Frosted	EAN/UPC - Product	8718291936299																																																														
Overall height	72 mm	Order code	910503586408																																																														
		Numerator - Quantity Per Pack	1																																																														
		Numerator - Packs per outer box	1																																																														
		Material Nr. (12NC)	910503586408																																																														
		Net Weight (Piece)	0.760 kg
