

**PRINTS LIKE MONO LASERS,
 BUT MORE AFFORDABLE.**

Efficiency meets economy with the EcoTank monochrome M1100 and M1120 printers. Taking care of details to meet business needs, look forward to lower costs with bottles that provide an ultra-high page yield of 6,000 pages¹ each. Simplify processes with integrated ink tanks that enable spill-free, error-free ink refilling, and enjoy laser-quality text that is smudge- and water-resistant with the pigment ink. What's more, the M1120 brings convenience with wireless connectivity, letting you print anytime, anywhere.

² Default mode in accordance with ISO7779 for MFPs.

³ Quoted yields are based on the ISO 24711/24712 patterns of mixed text and black-and-white graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently. Ink is used for both printing and printhead maintenance.
