## MVP507 MHN-LA2000W/956 400V WB SI

OPTIVISION – MASTER MHN-LA – 2000 W – Wide beam

OptiVision is an asymmetric downlighting luminaire that combines compact dimensions with very high efficiency. Available with narrow, medium and wide beams for flexibility in application, it provides excellent control of spill light and limitation of glare and upward leakage of light. OptiVision can accommodate metal-halide lamps for good colour rendering or high-pressure sodium lamps for economical operation. Excellent spill-light control, limitation of glare and upward leakage of light is secured by asymmetric optics that achieve peak intensity at 60° and a sharp cut-off of light at 80°. The MHN-LA/FC lamps guarantee pleasant and natural colour rendering and comfortable atmosphere.

### Product data

General Information		Input voltage	
Number of light sources	1 [ 1 pc]	Ignitor	400 V
Lamp family code	MHN-LA [ MASTER MHN-LA]		SI [ Series]
Lamp power	2000 W	Approval and Application	
Light source colour	956 daylight	Ingress protection code	IP65 [ Dust penetration-protected, jet-proof]
Kombipack	Lamp(s) included	Mech. impact protection code	IK08 [ 5 J vandal-protected]
Protection class IEC	Safety class I	Product Data	
CE mark	CE mark	Full product code	871155915207300
ENEC mark	-	Order product name	MVP507 MHN-LA2000W/956 400V WB SI
Ball impact resistance mark	Ball Impact Resistance mark	EAN/UPC – product	8711559152073
Mechanical accessories	No [ -]	Order code	15207300
Outdoor optic type	Wide beam	Local Code	MVP5072KW956WB
Product Family Code	MVP507 [ OPTIVISION]	Numerator – quantity per pack	1
Operating and Electrical		Numerator – packs per outer box	1
Lamp supply voltage	400 V [ 400]	Material no. (12NC)	910400188812

OptiVision MVP507

Net weight (piece)	17.200 kg
