WMF KITCHENminis® Dehydrator Snack to go

Healthy snacks and muesli bars are easy to make – and to take with you.

You can buy dried fruit, dried mushrooms, herbs, vegetable crisps, beef jerky and muesli bars from the supermarket – or you can make them yourself. The extremely space-saving and energy-saving automatic dryer dries everything that is placed on the rack or in the extra silicone mould – even overnight if you wish. Delicious snacks and muesli bars are created on five levels in virtual silence. The overheating protection and automatic switch-off ensure the safety of the appliance. The next morning simply take the small tasty treats along with you to work or give them to your children as a snack. It also includes a practical to-go set with two storage containers and an extra muesli bar container.
