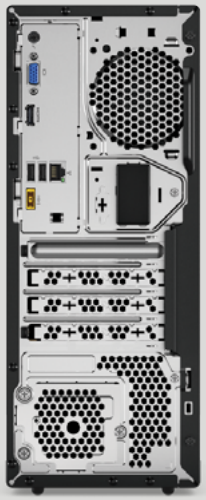
A SOLID PERFORMER FOR
EVERYDAY BUSINESS

Lenovo V330 DESKTOP



Lenovo V330 DESKTOP

AN EFFECTIVE DESKTOP FOR EVERYDAY BUSINESS

Powered by the latest Intel® processors and performance enhancing memory, the Lenovo V330 desktop delivers exceptional performance and reliability. Together with modern, abundant ports and slots, it can maximize your productivity in no time.

Better Performance: enables up to 20% more content creation and data analysis than the last gen platform

DDR4 Memory: stay responsive even while you are working on multiple applications

Smart USB Protection: BIOS-based security feature to restrict data transferring while still being responsive to designated USB devices

Green Leadership: certified to be energy saving and eco-friendly

ITDM Benefits

- Modern, abundant ports (up to 4 front USB ports) to easily mix and match accessories and connections specific to each user environment
- Data security solution with BIOS-based Smart USB Protection and Bluetooth® lock
- Simplified IT tasks with the Lenovo Tangram tool for troubleshooting and upgrades

ACCESSORIES

Lenovo Fingerprint Biometric USB Mouse (PN: 4Y50Q64661)

Enjoy the full-size ergonomic ambidextrous design of this high-performance mouse that comes with a fingerprint biometric sensor. Fast, easy, and accurate, it offers a high precision of 1600 dpi resolution and is Windows Hello certified.

ThinkVision T24i (PN: 61C6MAR1XX/ 61C6MAT1XX)

Experience vivid images on the 24-inch borderless FHD monitor with IPS panel. Equipped with built-in power and the rich connectivity of VGA and HDMI ports, T24i meets diverse connection demands. It features an LTPS full-function stand that pivots 90o clockwise and counterclockwise for ease of use. Additionally, 4 USB 3.0 ports offer easy connectivity.

Lenovo Secure Desktop Drives (PN: 4XB0M137XX)

Eliminate the threat of a data breach when transporting data with military grade AES 256-bit CBC HDWR encryption.
This desktop drive provides Keypad Pin authentication and programmable Brute Force protection that allows the admin to set failed attempts between 4 and 20.

SERVICES

Premier Support [1,2]
Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

Keep Your Drive [1]
Allows you to retain your hard disk drives, improving data security and potentially alleviating civil liability risks for organizations handling sensitive information.

Warranty Extensions [1]
This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your investment and lower the cost of ownership over time.

Onsite Service with Technician Installation of CRU Parts [1,3]
Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair services at your place. In addition, Tech Install CRU frees you from installing all internal parts so that you have more time to deal with mission critical business.
