(For MFC models)

Quick Setup Guide

Product Safety Guide

Basic User's Guide
or **Reference Guide**
(only for certain models)

Installation CD-ROM

Telephone Line Cord Adapter
(Australia only) (For MFC models)

NOTE:
• The available connection interfaces vary depending on the model.
• You must purchase the correct interface cable for the interface you want to use.

  USB cable
  We recommend using a USB 2.0 cable (Type A/B) that is no more than 2 metres long.
  Network cable
  (Except for DCP-L5500D)
 Use a straight-through Category 5 (or greater) twisted-pair cable.

• The illustrations in this Quick Setup Guide show the MFC-L6900DW.

---

1 Remove the packing materials and install the drum unit and toner cartridge assembly
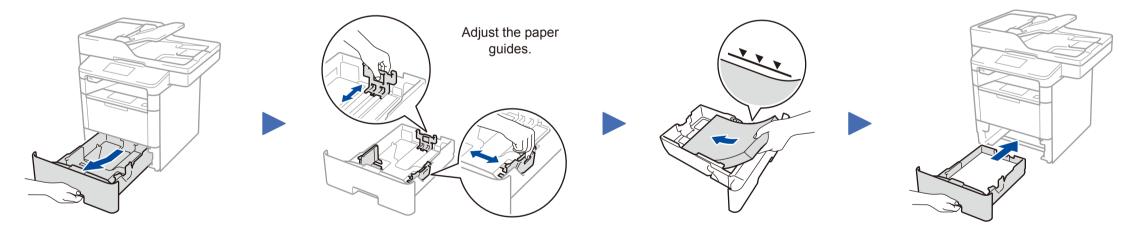

DCP-L5500D / DCP-L5500DN / DCP-L5600DN / DCP-L6600DW / MFC-L5700DN / MFC-L5750DW / MFC-L5755DW / MFC-L5900DW / MFC-L6700DW / MFC-L6800DW / MFC-L6900DW (For Oceania)

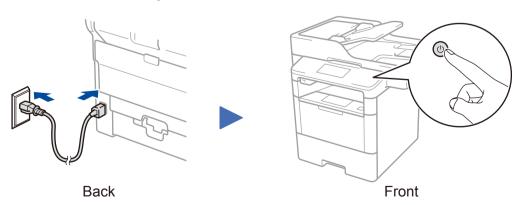

Discard the silica gel pack.

Remove the orange part.

MFC-L6900DW ONLY (Except for Oceania)

Remove the orange part.   Remove the orange part.

---

2 Load paper in the paper tray

Adjust the paper guides.

---

3 Connect the power cord and turn the machine on

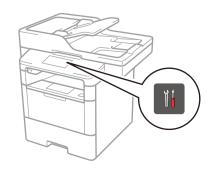

Back   Front

4 Select your country/language (Initial setup only)

After turning the machine on, you may be required to set your country or language (depending on your machine).
If required, follow the on-screen instructions.

---

5 Select your language (if needed)
(Only for certain models)

1. On the machine's Touchscreen, press [Settings] > [All Settings] > [Initial Setup] > [Local Language].
2. Press your language.
3. Press [home].

6 Connect your machine and install software

Brother regularly updates firmware to add features and fix identified problems. To check for the latest firmware, visit solutions.brother.com/up1.
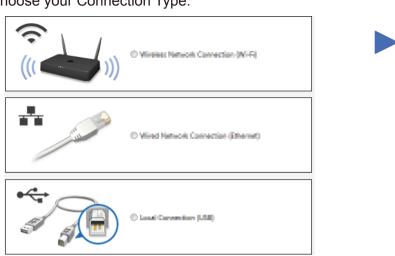

Windows® computer with CD-ROM drive

NOTE:
If the Brother screen does not appear automatically, click (Start) > **Computer (My Computer)**. (For Windows® 8: click the (**File Explorer**) icon on the taskbar, and then go to **Computer (This PC)**.) Double-click the CD-ROM icon, and then double-click **start.exe**.

Macintosh/Windows® computer without CD-ROM drive

Download the full driver and software package from the Brother Solutions Center.
