## Infinite X Plus 9th

INFINITE X PLUS 9SE-272US

### FEATURE

#### 9th Gen Intel® Core™ i9 Processors

Equipped with the 9th Gen Intel® Core™ i9 processors, up to 50% more performance than previous generation.

#### GeForce RTX™ Graphics Card

Built with MSI GeForce RTX™ Graphics Card, up to 40% more performance than previous generation.

#### Silent Storm Cooling 3 Pro

Exclusive, silent and powerful liquid cooling system that embraces several separated chambers for component cooling.

#### Mystic Light

Make your build look on fire or cold as ice. You are in control. Customize colors and effects with RGB LED.

#### Customizable Tempered Glass Panel Design

Looking for some versatility on the style of your gaming PC? You are in the right place.

#### Vertical graphics with steel armor

Vertical placed graphics card to prevent bending of the card or damage to the PCI Express slot during transport.

#### Easy to carry

We designed our Gaming Desktop to be taken anywhere. So wherever your gaming den is, you can easily carry this Gaming Desktop there.

### SPECIFICATION

|                        |                                                                                                                                                                                                                                      |
