

Kettle

WMF KITCHENminis® Glass Kettle Vario 1.0 l

Compact glass kettle with integrated tea preparation function.

Hot water is not just hot water with the new WMF KITCHENminis® Glass Kettle Vario. Five different temperature settings allow perfect water preparation, there is also one for the perfect temperature for tea. Plus a little extra: built-in teabag holder and an aroma micro strainer. Simply pour out the tea and enjoy. Made of heat resistant WMF glass, which is equivalent to the high-quality properties of SCHOTT glass, and with a capacity of one litre, the WMF KITCHENminis® Glass Kettle Vario is the space-saving option for small kitchens.
