Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Dimmable(remote control)

Adjust the light intensity with a remote control (included). Ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.
