High performance on all floors

Removes pet hair from floors and furniture

The Philips PowerGo vacuum cleaner delivers top cleaning performance with an energy-efficient motor. Keep the air in your home clean and healthy too, thanks to our Allergy Filter, which traps 99.9%+ of harmful particles.

Remarkable results

- Deep-cleaning Turbo brush, perfect for pet hair
- Furniture tool removes pet hair with ease
- 99.9% dust pick-up* to deliver high-quality cleaning
- 900 W motor for strong suction power

Allergy friendly

- Allergy Filter captures 99.9% of particles — ECARF certified
- Easy s-bags last up to 50% longer

Effortless cleaning

- Long 9-metre reach goes further without unplugging
- Large 3-litre capacity means fewer bag changes
- Onboard accessories are always at hand
- Adjustable suction power for every cleaning task
- Telescopic tube comfortable cleaning

Highlights

Deep-cleaning Turbo brush

The rotating Turbo brush nozzle sweeps away pet hair and fluff, gently opening your carpets for a deeper clean.

Furniture tool for pet hair

The furniture tool removes hair from your pet's favourite sofas, armchairs and cushions.

Certified Allergy Filter

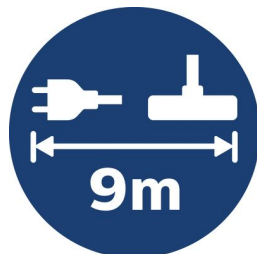

Our clean-air filter system captures 99.9% of fine dust—including pollen, pet hair and dust mites—for allergy sufferers and anyone demanding a higher level of hygiene. Certified allergy friendly by ECARF.

Easy, long-lasting bags

S-bags last up to 50% longer and maintain the full suction power of your vacuum cleaner right up to the moment it's full. One bag fits all models, with a sealing mechanism for tidy disposal.

Long 9-metre reach

With a reach of 9 metres from plug to nozzle, it keeps you cleaning longer without unplugging.

Large 3-litre capacity

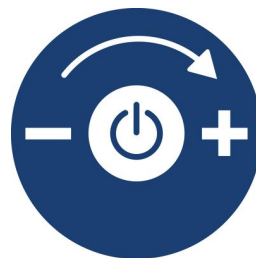

The large-capacity dust chamber handles a full three litres before the bag needs changing.

Handy onboard accessories

Accessories, like a handy crevice tool, are integrated onto the vacuum so they're always at hand while you clean.

Adjustable suction power

Choose the right level of suction for any cleaning task and every surface in your home.

Telescopic tube for comfort

A 2-piece, telescopic metal tube adjusts quickly to any height for comfortable cleaning.

99.9% dust pick-up*

You can vacuum 99.9% of fine dust thanks to powerful suction and high-performance nozzles.

High-efficiency 900 W motor

Our highly efficient motor generates powerful suction and uses less energy for a thorough clean every time.
