- Fast and easy search across top channels

- Enjoy 500,000+ movies and TV episodes
- Free mobile app for iOS and Android
- Search across live and top streaming channels
- Works with voice-enabled devices featuring Google Assistant

Authentic and clear sound experience.

- Immersive sound with clear voice designed by sonic emotion

PHILIPS

Features

Smart TV made easy

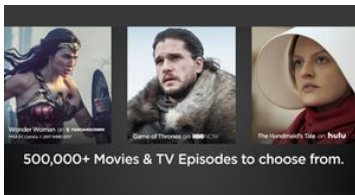

Get to all the things you want to watch, easier with Philips Roku TV. Start streaming your favorite movies and TV shows. Access your cable box or HD antenna. Or even fire up your gaming console - all from your home screen.

Fast and easy search

Search by title, actor or director to see where to stream your favorite shows for free or at the lowest price.

Entertainment for everyone

Whether you're a cable subscriber, cord cutter, or anything in between, it's easy to watch what you love with Philips Roku TV. Get one-click access to your cable, satellite, or HDTV antenna on the home screen. Or start streaming with live-streaming TV channels like Sling TV, plus 500,000+ movies and TV episodes available, including tens of thousands for free.

Free Roku mobile app

Turn your iOS® or Android™ device into the ultimate streaming companion. Whether you need a second remote or want more features and functionality, the Roku mobile app makes it fun and easy to control your Philips Roku TV. Search with your keyboard, use voice search, enjoy private listening with up to three friends, cast to your TV, and more.

4K UltraHD

Four times the resolution of Full HD brings your viewing experience to the whole new level. Enjoy every detail and the breathtaking beauty of your favorite entertainment.

High Dynamic Range

High Dynamic Range (HDR10) technology lets you experience more detail and captivating colors for an even more engaging television experience. Experience a brighter image with astonishing contrast composed of shades of blacks, whites, and all other colors.

Connectivity Options

Easily connect your TV to your wireless network. Watch and pause live over-the-air TV with a digital antenna and 16GB or larger USB Flash Drive, and connect your favorite devices via HDMI.
